

HS Williams (construction—steel) headquartered in Marion, VA.

Currently seeking Steel Crew Member & Welders.

Steel Crew Members: No specific education needed. Prefers experience, but not required.

Welders: Must be certified; MIG, etc.

To apply, you must go in person (to the headquarters in Marion) & complete a paper application. The hiring manager is on site on Wednesdays & Thursdays of each week. He may or may not interview on the spot. If he doesn't interview on that day, he will call and schedule one.

Schedule: Employees are to meet on Monday morning between 5am – 6am and leave with the crew from Marion. They will travel to the construction location from there. Currently, they have projects in VA, TN, WV, KY and SC. Crew will work 10-hour shifts; Mon-Thurs and have Friday, Saturday and Sunday off.

No specifics on pay rate, felony history or per Diem for the out of town stays.
