US - HCONRES2 Reclaiming Congresss Constitutional Mandate in Trade Resolution

Primary Sponsor: Representative H. Morgan Griffith (R)

Summary:

Reclaiming Congress's Constitutional Mandate in Trade ResolutionThis concurrent resolution establishes a process for transferring the functions and responsibilities of the Office of the Trade Representative (USTR) from the executive branch to the legislative branch. The concurrent resolution establishes the Joint Ad Hoc Committee on Trade Responsibilities and the Congressional Advisory Board on Trade Responsibilities to plan for and implement the transfer.The Joint Ad Hoc Committee on Trade Responsibilities shall consist of 14 members of Congress appointed by majority and minority party leaders of the two chambers of Congress and meeting qualifications specified in the bill. The committee shall develop a plan under which the functions and responsibilities of the USTR shall be moved and provide its plan in a report to Congress within 16 months after the committee is appointed. The bill also establishes a 21-member Congressional Advisory Board on Trade Responsibilities responsible for advising the committee in its development of the plan. Individuals meeting qualifications specified in the bill shall be appointed by the Trade Representative and majority and minority party leaders.The concurrent resolution also provides that the USTR shall provide such information and assistance the committee and the advisory board may reasonably require to carry out their activities.The transition of the USTR to the legislative branch occurs four years after the committee submits its report.

US - HR7 No Taxpayer Funding for Abortion and Abortion Insurance Full Disclosure Act of 2025

Primary Sponsor: Representative Christopher H. Smith (R)

Summary:

No Taxpayer Funding for Abortion and Abortion Insurance Full Disclosure Act of 2025This bill modifies provisions relating to federal funding for, and health insurance coverage of, abortions.Specifically, the bill prohibits the use of federal funds for abortions or for health coverage that includes abortions. Such restrictions extend to the use of funds in the budget of the District of Columbia. Additionally, abortions may not be provided in a federal health care facility or by a federal employee.Historically, language has been included in annual appropriations bills for the Department of Health and Human Services (HHS) that prohibits the use of federal funds for abortions—such language is commonly referred to as the Hyde Amendment. Similar language is also frequently included in appropriations bills for other federal agencies and the District of Columbia. The bill makes these restrictions permanent and extends the restrictions to all federal funds (rather than specific agencies).The bill's restrictions regarding the use of federal funds do not apply in cases of rape, incest, or where a physical disorder, injury, or illness endangers a woman's life unless an abortion is performed. The Hyde Amendment provides the same exceptions.The bill also prohibits qualified health plans from including coverage for abortions. Currently, qualified health plans may cover abortion, but the portion of the premium attributable to abortion coverage is not eligible for subsidies.

US - HR21 Born-Alive Abortion Survivors Protection Act

Primary Sponsor: Representative Ann Wagner (R)

Summary:

Born-Alive Abortion Survivors Protection Act This bill establishes requirements for the degree of care a health care practitioner must provide in the case of a child born alive following an abortion or attempted abortion. Specifically, a health care practitioner who is present must (1) exercise the same degree of care as would reasonably be provided to any other child born alive at the same gestational age, and (2) ensure the child is immediately admitted to a hospital. Additionally, a health care practitioner or other employee who has knowledge of a failure to comply with the degree-of-care requirements must immediately report such failure to law enforcement. A health care practitioner who fails to provide the required degree of care, or a health care practitioner or other employee who fails to report such failure, is subject to criminal penalties—a fine, up to five years in prison, or both. An individual who intentionally kills or attempts to kill a child born alive is subject to prosecution for murder. The bill bars the criminal prosecution of a mother of a child born alive under this bill and allows her to bring a civil action against a health care practitioner or other employee for violations.

US - HR27 HALT Fentanyl Act

Primary Sponsor: Representative H. Morgan Griffith (R)

Summary:

Halt All Lethal Trafficking of Fentanyl Act or the HALT Fentanyl ActThis bill permanently places fentanyl-related substances as a class into schedule I of the Controlled Substances Act. A schedule I controlled substance is a drug, substance, or chemical that has a high potential for abuse; has no currently accepted medical value; and is subject to regulatory controls and administrative, civil, and criminal penalties under the Controlled Substances Act.Under the bill, offenses involving fentanyl-

related substances are triggered by the same quantity thresholds and subject to the same penalties as offenses involving fentanyl analogues (e.g., offenses involving 100 grams or more trigger a 10-year mandatory minimum prison term).Additionally, the bill establishes a new, alternative registration process for certain schedule I research.The bill also makes several other changes to registration requirements for conducting research with controlled substances, includingpermitting a single registration for related research sites in certain circumstances,waiving the requirement for a new inspection in certain situations, andallowing a registered researcher to perform certain manufacturing activities with small quantities of a substance without obtaining a manufacturing registration.Finally, the bill expresses the sense that Congress agrees with the interpretation of Controlled Substances Act in United States v. McCray, a 2018 case decided by the U.S. District Court for the Western District of New York. In that case, the court held that butyryl fentanyl, a controlled substance, can be considered an analogue of fentanyl even though, under the Controlled Substances Act, the term controlled substance analogue specifically excludes a controlled substance.

US - HR28 Protection of Women and Girls in Sports Act of 2025

Primary Sponsor: Representative W. Gregory Steube (R)

Summary:

Protection of Women and Girls in Sports Act of 2025This bill generally prohibits school athletic programs from allowing individuals whose biological sex at birth was male to participate in programs that are for women or girls.Specifically, the bill provides that it is a violation of Title IX of the Education Amendments of 1972 for federally funded education programs or activities to operate, sponsor, or

facilitate athletic programs or activities that allow individuals of the male sex to participate in programs or activities that are designated for women or girls. (Title IX prohibits discrimination on the basis of sex in federally funded education programs or activities, including in public elementary and secondary schools and in colleges and universities.) Under the bill, sex is based on an individual's reproductive biology and genetics at birth.The bill does not prohibit male individuals from training or practicing with programs or activities for women or girls as long as such training or practice does not deprive any female of corresponding opportunities or benefits.The Government Accountability Office must report on the benefits for women or girls in single-sex sports that would be lost as a result of male participation. In particular, the report must document the negative psychological, developmental, participatory, and sociological effects of male participation on girls.

US - HR29 Laken Riley Act

Primary Sponsor: Representative Mike Collins (R)

Summary:

Laken Riley ActThis bill requires the Department of Homeland Security (DHS) to detain certain non-U.S. nationals (aliens under federal law) who have been arrested for burglary, theft, larceny, or shoplifting. The bill also authorizes states to sue the federal government for decisions or alleged failures related to immigration enforcement.Under this bill, must detain an individual who (1) is unlawfully present in the United States or did not possess the necessary documents when applying for admission; and (2) has been charged with, arrested for, convicted of, or admits to having committed acts that constitute the essential elements of burglary, theft, larceny, or shoplifting.The bill also authorizes state governments to sue for injunctive relief over certain immigration-related decisions or alleged failures by the federal government if the decision or failure caused the state or its residents harm, including financial harm of more than $100. Specifically, the state government may sue the federal government over adecision to release a non-U.S. national from custody;failure to fulfill requirements relating to inspecting individuals seeking admission into the United States, including requirements related to asylum interviews;failure to fulfill a requirement to stop issuing visas to nationals of a country that unreasonably denies or delays acceptance of nationals of that country;violation of limitations on immigration parole, such as the requirement that parole be granted only on a case-by-case basis; orfailure to detain an individual who has been ordered removed from the United States.

US - HR30 Preventing Violence Against Women by Illegal Aliens Act

Primary Sponsor: Representative Nancy Mace (R)

Summary:

Preventing Violence Against Women by Illegal Aliens ActThis bill establishes certain criminal grounds for making non-U.S. nationals (aliens under federal law) inadmissible and expands the crimes for which a non-U.S. national is deportable.First, the bill establishes that a non-U.S. national is inadmissible if the individual has admitted to or is convicted of acts constituting the essential elements of stalking, child abuse, child neglect, child abandonment, a sex offense, conspiracy to commit a sex offense, a violation of certain protection orders, or domestic violence (including physical or sexual abuse or a pattern of coercive behavior when it occurs within certain close relationships). Next, the bill establishes additional grounds for deportation. Under current law, a non-U.S. national is deportable for certain criminal convictions, including domestic violence, stalking, and child abuse. The bill makes any sex offense (including crimes against minors) or conspiracy to commit a sex offense a basis for deportation. The bill also expands the domestic violence crimes that make a non-U.S. national deportable to include physical or sexual abuse or a pattern of coercive behavior when it occurs within certain close relationships.

Primary Sponsor: Representative Kat Cammack (R)

Summary:

Regulations from the Executive in Need of Scrutiny Act of 2025This bill revises provisions relating to congressional review of agency rulemaking.Specifically, the bill establishes a congressional approval process for a major rule. A major rule may only take effect if Congress approves of the rule. A major rule is a rule that has resulted in or is likely to result in (1) an annual effect on the economy of $100 million or more; (2) a major increase in costs or prices for consumers, individual industries, government agencies, or geographic regions; or (3) significant adverse effects on competition, employment, investment, productivity, innovation, or the ability of U.S.-based enterprises to compete with foreign-based enterprises.The bill generally preserves the current congressional review process for a nonmajor rule.

US - HR161 New Source Review Permitting Improvement Act

Primary Sponsor: Representative H. Morgan Griffith (R)

Summary:

New Source Review Permitting Improvement Act This bill modifies terminology for purposes of the New Source Review (NSR) permitting program of the Environmental Protection Agency (EPA). In order for a change to a stationary source to be a modification (a change to a stationary source that increases the air pollutant emissions or results in new pollutants) for purposes of the NSR permitting program, the maximum hourly emission rate achievable by such source must be higher than the maximum hourly rate achievable by such source during any hour in the 10-year period preceding the change. A change at a stationary source is not considered to be a modification under the bill if it is designed to (1) reduce the amount of any air pollutant emitted; or (2) restore, maintain, or improve the reliability of operations at, or safety of, the source. However, such changes are not excepted if the EPA determines the increase in the maximum achievable hourly emission rate from such change would cause an adverse effect on human health or the environment. Construction, in connection with a major emitting facility (a type of stationary source), does not include a change at such a facility that does not result in a significant emissions increase or a significant net emissions increase. In relation to major emitting facilities in nonattainment areas, the terms modifications and modified do not include changes at such facilities that do not result in a significant emissions increase or a significant net emissions increase.

US - HR228 To amend the Internal Revenue Code of 1986 to increase and adjust for inflation the above-the-line deduction for teachers.

Primary Sponsor: Representative H. Morgan Griffith (R)

Summary:

This bill increases the above-the-line tax deduction for unreimbursed expenses incurred by an eligible educator for classroom supplies and certain professional development courses. (Above-the-line deductions are subtracted from gross income to calculate adjusted gross income.)Under current law, an eligible educator may deduct up to $300 in 2025 (adjusted annually for inflation) for unreimbursed expenses for classroom supplies and certain professional development courses. An eligible educator is defined as a kindergarten through grade 12 teacher, instructor, counselor, principal, or aide who

works at least 900 hours during a school year in a school that provides elementary or secondary education. Under the bill, an eligible educator may deduct up to $1,000 in 2025 for unreimbursed expenses for classroom supplies and certain professional development. For tax years after 2025, the $1,000 limit on the tax deduction is adjusted annually for inflation.

Primary Sponsor: Representative H. Morgan Griffith (R)

Summary:

Barriers and Regulatory Obstacles Avoids Deployment of Broadband Access and Needs Deregulatory Leadership Act or the BROADBAND Leadership ActThis bill limits the authority of a state or locality to regulate the placement, construction, or modification of telecommunications service facilities.States and localities may not discriminate in such regulations among providers of telecommunications services, including based on the technology used to provide services. In addition, states and localities may not regulate in a manner that effectively prohibits the provision or

improvement of interstate or intrastate telecommunications services.However, states and localities may charge reasonable, cost-based fees (1) to review requests to place, construct, or modify telecommunications service facilities; or (2) for the use of property owned or managed by the state or locality for the placement, construction, or modification of those facilities.States or localities must respond to requests to place, construct, or modify facilities and for other related actions by specified deadlines. Such deadlines may only be tolled by a mutual agreement between the applicant and the state or locality, or in the event that the application is incomplete and requires a supplemental submission. If a decision is not made by the deadline, the request is deemed to be approved. Further, denials of requests must be made in writing, supported by evidence, and promptly released to the public.A person adversely affected by an alleged violation of these provisions may petition the courts for expedited review of the actions of the state or locality.

US - HR346 Preserving Choice in Vehicle Purchases Act

Primary Sponsor: Representative John Joyce (R)

Summary:

Preserving Choice in Vehicle Purchases Act This bill modifies the waiver process under the Clean Air Act related to state emission control standards for new motor vehicles (or new motor vehicle engines). Under current law, states are preempted from adopting or enforcing emission control standards for new motor vehicles (or new motor vehicle engines) unless the Environmental Protection Agency (EPA) provides a waiver authorizing a state to adopt such standards if certain requirements are met. The bill provides that state standards that directly or indirectly limit the sale or use of new motor vehicles with internal combustion engines are not eligible for waivers. The bill also prohibits the EPA from determining that any state standards amended after the bill's enactment are within the scope of an existing waiver. Additionally, the bill requires the EPA to revoke waivers granted between January 1, 2022, and the date of enactment of this bill if the standards directly or indirectly limit the sale or use of new motor vehicles with internal combustion engines.

Primary Sponsor: Representative Mike Bost (R)

Summary:

Restore Department of Veterans Affairs Accountability Act of 2025 or the Restore VA Accountability Act of 2025This bill modifies personnel action procedures regarding certain employees and executives of the Department of Veterans Affairs (VA). The bill authorizes the VA to remove from civil service, demote, or suspend VA employees that are supervisors or managers if the VA determines by substantial evidence that the performance or misconduct of such individual warrants such action. This authority does not apply to certain appointees or individuals in their probationary or trial period.Supervisors or managers who are subject to a removal, demotion, or suspension under this bill are entitled to (1) advance notice of the action and supporting evidence, (2) representation by an attorney or representative, and (3) grieve the action in accordance with an internal grievance process.The bill also provides protections from removal, demotion, or suspension for supervisor or managers who are whistleblowers or are seeking corrective action for an alleged prohibited personnel practice such as discrimination.The bill also modifies the procedures to remove, demote, or suspend VA employees or senior executives based on performance or misconduct, specifically by requiring the VA to determine by substantial evidence that the performance or misconduct of the individual warrants such removal, demotion, or suspension. Such procedures must apply retroactively, beginning on the date of enactment of the Department of Veterans Affairs Accountability and Whistleblower Protection Act of 2017 (June 23, 2017).

US - HR679 To nullify the modifications made by the Food and Drug Administration in January 2023 to the risk evaluation and mitigation strategy for the abortion pill mifepristone, and for other purposes.

Primary Sponsor: Representative Diana Harshbarger (R)

Summary:

This bill nullifies certain changes made by the Food and Drug Administration (FDA) to dispensing requirements for mifepristone. (Mifepristone is a drug that is approved to end pregnancies through 10 weeks gestation when used in conjunction with the drug misoprostol. The procedure is often referred to as medication abortion or the abortion pill.) The FDA regulates the use of mifepristone through the Mifepristone Risk Evaluation and Mitigation Strategy (REMS) program. The program requires health care providers to comply with certain requirements in order to prescribe or dispense mifepristone to end a pregnancy; the program previously included an in-person dispensing requirement that required mifepristone to be directly dispensed to patients in clinics, medical offices, or hospitals. During the COVID-19 public health emergency, the FDA temporarily stopped enforcing the in-person dispensing requirement, which allowed mail-order pharmacies to fill and dispense mifepristone prescriptions. In January 2023, the FDA modified program requirements so as to (1) remove the in-person dispensing requirement, and (2) require pharmacies to be certified in the program in order to dispense mifepristone. The modifications allow retail pharmacies, after receiving certification, to dispense mifepristone pursuant to prescriptions that are written by program-certified prescribers. The bill nullifies the January 2023 changes and prohibits any similar changes in the future.

US - HR1968 Full-Year Continuing Appropriations and Extensions Act, 2025

Primary Sponsor: Representative Tom Cole (R)

Summary:

Full-Year Continuing Appropriations and Extensions Act, 2025This bill provides continuing FY2025 appropriations for federal agencies and extends various expiring programs and authorities. Specifically, the bill provides continuing FY2025 appropriations to federal agencies for the remainder of FY2025. It is known as a continuing resolution (CR) and prevents a government shutdown that would otherwise occur if the FY2025 appropriations bills have not been enacted when the existing CR expires on March 14, 2025. The CR funds most programs and activities at the FY2024 levels. It also includes several additional provisions that increase or decrease funding for various programs compared to FY2024 levels. In addition, the bill extends several expiring programs and authorities,

includingseveral public health, Medicare, and Medicaid authorities and programs;the National Flood Insurance Program;authorities related to the Commodity Futures Trading Commission whistleblower program;the Department of Homeland Security (DHS) National Cybersecurity Protection System;authorities for DHS and the Department of Justice to take certain actions to mitigate a credible threat from an unmanned aircraft system;the Temporary Assistance for Needy Families (TANF) program;the special assessment on nonindigent persons or entities convicted of certain offenses involving sexual abuse or human trafficking;the temporary scheduling order issued by the Drug Enforcement Administration to place fentanyl-related substances in Schedule I of the Controlled Substances Act;the authorization for the U.S. Parole Commission; andthe Department of Agriculture livestock mandatory price reporting program.

US - S5 Laken Riley Act

Primary Sponsor: Senator Katie Boyd Britt (R)

Summary:

Laken Riley ActThis bill requires the Department of Homeland Security (DHS) to detain certain non-U.S. nationals (aliens under federal law) who have been arrested for burglary, theft, larceny, or shoplifting. The bill also authorizes states to sue the federal government for decisions or alleged failures related to immigration enforcement.Under this bill, must detain an individual who (1) is unlawfully present in the United States or did not possess the necessary documents when applying for admission; and (2) has been charged with, arrested for, convicted of, or admits to having committed acts that constitute the essential elements of burglary, theft, larceny, or shoplifting.The bill also authorizes state governments to sue for injunctive relief over certain immigration-related decisions or alleged failures by the federal government if the decision or failure caused the state or its residents harm, including financial harm of more than $100. Specifically, the state government may sue the federal government over adecision to release a non-U.S. national from custody;failure to fulfill requirements relating to inspecting individuals seeking admission into the United States, including requirements related to asylum interviews;failure to fulfill a requirement to stop issuing visas to nationals of a country that unreasonably denies or delays acceptance of nationals of that country;violation of limitations on immigration parole, such as the requirement that parole be granted only on a case-by-case basis; orfailure to detain an individual who has been ordered removed from the United States.

US - S269 Ending Improper Payments to Deceased People Act

Primary Sponsor: Senator John Kennedy (R)

Summary:

Ending Improper Payments to Deceased People ActThis bill permanently allows the Department of the Treasury to access certain death records maintained by the Social Security Administration (SSA) in order to facilitate the identification and prevention of improper payments (e.g., payments to deceased individuals). Current law requires the SSA to share its Death Master File with the Do Not Pay system maintained by Treasury for three years. The bill makes this requirement permanent.

US - S278 Kids Off Social Media Act

Primary Sponsor: Senator Brian Schatz (D)

Summary:

Kids Off Social Media ActThis bill limits children's access to social media platforms and requires both platforms and schools to implement certain restrictions on children's social media usage. Specifically, the bill prohibits social media platforms from knowingly allowing children under the age of 13 to create or maintain accounts. Platforms must delete existing accounts held by children and any personal data collected from child users. Platforms are also generally prohibited from using automated systems to suggest or promote content based on personal data collected from users under the age of 17. The bill directs the Federal Trade Commission to enforce these provisions. States may also bring civil actions against platforms whose violations of these provisions have adversely affected their residents. Further, as a condition of receiving discounted telecommunications service under the Schools and Libraries Universal Service Support (E-Rate) program, schools must enforce policies preventing the use of E-Rate-supported services, networks, and devices to access social media, and must use blocking or filtering technology to prevent such access. Schools that do not make a good faith effort to comply and correct known violations are required to reimburse any E-Rate support they received for the applicable period. Schools must also submit copies of their internet safety policies to the Federal Communications Commission for publication. Under the bill, social media platforms are defined as public-facing sites that function primarily as forums for user-generated content. Some categories of online platforms are explicitly excluded, including sites that provide primarily videoconferencing, emailing, or educational services.

US - S789 Critical Minerals Security Act of 2025

Primary Sponsor: Senator John Cornyn (R)

Summary:

Critical Minerals Security Act of 2025This bill establishes requirements for the Department of the Interior related to securing U.S. access to critical minerals and rare earth element (REE) resources. Critical minerals mean any mineral, element, substance, or material designated as critical by the U.S. Geological Survey. REEs mean cerium, dysprosium, erbium, europium, gadolinium, holmium, lanthanum, lutetium, neodymium, praseodymium, promethium, samarium, scandium, terbium, thulium, ytterbium, and yttrium. First, Interior must report on the critical mineral and REE resources, including recyclable or recycled materials containing those resources, around the world. Among other information, the report must include an assessment of the global ownership and supply of critical

mineral and REE resources. Interior must submit the report within a year and every two years thereafter.Next, Interior must establish a process to assist a U.S. person—a U.S. citizen, a non-U.S. National (alien under federal law) lawfully admitted for permanent residence, or an entity organized under U.S. laws—seeking to divest stock in mining, processing, or recycling operations for critical minerals and REEs in a foreign country with finding a purchaser that is not under the control of North Korea, China, Russia, or Iran.Finally, Interior must develop (1) a strategy to collaborate with U.S. allies and partners to develop advanced mining, refining, separation, processing, and recycling technologies; and (2) a method for sharing related intellectual property with U.S. allies and partners to enable those countries to license those technologies and develop their resources.

US - SCONRES7 An original concurrent resolution setting forth the congressional budget for the United States Government for fiscal year 2025 and setting forth the appropriate budgetary levels for fiscal years 2026 through 2034.

Primary Sponsor: Senator Lindsey Graham (R)

Summary:

This concurrent resolution establishes the congressional budget for the federal government for FY2025, sets forth budgetary levels for FY2026-FY2034, and provides reconciliation instructions for legislation that increases or decreases the deficit by specified amounts. The resolution recommends levels and amounts for FY2025-FY2034 forfederal revenues,new budget authority,budget

outlays,deficits,public debt,debt held by the public, andthe major functional categories of spending.It also recommends levels and amounts for Social Security and Postal Service discretionary administrative expenses for the purpose of budget enforcement in the Senate.The resolution includes reconciliation instructions that direct several House and Senate committees to report legislation that will increase or decrease the deficit over FY2025-FY2034 by specified amounts. The committees must submit the legislation to the applicable congressional budget committee by March 7, 2025. (Under current law, reconciliation bills are considered by Congress using expedited legislative procedures that prevent a filibuster and restrict amendments in the Senate.)In addition, the resolution establishes reserve funds that allow certain adjustments to committee allocations and other budgetary levels to accommodate (1) reconciliation legislation, and (2) legislation that would not increase the deficit over FY2025-FY2034. The resolution also exempts reconciliation legislation that complies with this resolution from various budget points of order.Finally, the resolution sets forth budget enforcement procedures that address issues such as adjustments to committee allocations and the budgetary treatment of the discretionary administrative expenses for the Social Security Administration and the U.S. Postal Service.

US - SJRES10 A joint resolution terminating the national emergency declared with respect to energy.

Primary Sponsor: Senator Tim Kaine (D)

Summary:

This joint resolution terminates the national emergency relating to energy declared by the President on January 20, 2025, in Executive Order 14156. The executive order states that the supply of and infrastructure for energy in the United States is insufficient to meet the country's needs. It defines energy as crude oil, natural gas, lease condensates, natural gas liquids, refined petroleum products, uranium, coal, biofuels, geothermal heat, the kinetic movement of flowing water, and critical minerals. The executive order directs the heads of executive departments and agencies to use available

emergency and other authorities to take certain actions to address this topic, including approving development of domestic energy resources, expediting the completion of authorized energy infrastructure (particularly in the Northeast, West Coast, and Alaska), and pursuing the use of emergency permitting provisions under certain environmental regulations.The executive order also directs the Department of Defense to conduct an assessment of its ability to acquire and transport energy resources (particularly in the Northeast and West Coast), and invokes emergency military construction authority to address any vulnerabilities identified in the assessment.
